

Tumbling Element – Class 34 - 2022

SUPPLIES

QTY	PRODUCT	A6 CARD	DESCRIPTION
1	Card Base	14.8cm x 21cm (A5) (5 7/8" x 8 1/4")	I used black card on the first example and white card on the second.
2	Cardstock	14.3cm x 10cm Metric Rectangle 2 (5 5/8" x 4")	I used a lightweight cardstock. One will be for the front piece and the second one will go behind. I also cut the back piece a little bit smaller to make sure that it wasn't seen. You can replace this with patterned card if you prefer.
	Ephemera / embellishments	1 - 2	I stamped and cut out some of the Panda's from this month's kit– but you can use anything that you have in your stash.
	Cardstock Scraps		This is for the greeting, and we will use some with our tumbling mechanism
2	Metal Washers	approx. 1.8cm (3/4") diameter	If you don't have any, you can use 5 cent pieces.

FROM YOUR STASH

CONSUMABLES

- Double sided foam tape
- Glue / double sided tape
- Ink for stencilling – I used Distress Oxide Mowed Lawn and Salty Ocean
- Ink for greeting stamp – I used Versafine black Onyx

TOOLS
